Arvin – I have to let them know she is on travel these dates. Should someone else meet with this group in her absence? If so I would like to let them know we have identified a surrogate when I respond to Amy's email.

Hello Amy,

Thanks for your email. I have added Arian Herckis to this email. She is the director of scheduling and will get back to you right away. Please know that the office is closed today because of a snow storm, but we should be back to work tomorrow.

Teri

Subject: RE: BBNA Meeting Request - EPA

Waq'aa, Good afternoon Honorable Gina McCarthy, and Teri Porterfield and Hanady Kader at the US EPA,

My name is Amy Sparck Dobmeier, I am Cup'ik Alaska Native from Chevak on the Bering Sea Coast of Alaska, I work with the North Star Group of Anchorage, AK and Washington, D.C., and on behalf of the Bristol Bay Native Association of Dillingham, Alaska (representing over 30 tribal villages in Southwest Alaska, spanning a land mass larger than Ohio, www.bbna.com),

I would like to respectfully follow up on a meeting we requested with the EPA Administrator, Gina McCarthy, this week (**scroll down** to see original request for the first week of March), while the BBNA Executive Board and Staff are in D.C. to further advocate for the environmental and federal needs of the people of the Bristol Bay region.

Since we have written to you, it has ended up that the **BEST** availability for the BBNA group is now, Anytime: Wednesday March 5, or Thursday March 6*

***We understand this is now short notice, but we felt that in light of the EPA's recent very public CWA push re Pebble Mine in the Bristol Bay region (see attachments), meeting with residents who live in / make their living in Bristol Bay would be a great opportunity for both parties.**

Please find the list of Bristol Bay Native Association's Executive Board Members and Staff, visiting from Alaska*: (*please note not all members will be in attendance, it is likely a group of 5-6 from these members will attend the meeting at DOJ)

BBNA Board (Executive Committee):

Fred T. Angasan, Chairman (South Naknek)
Thomas Tilden, Vice-Chairman (Curyung/Dillingham)
Jaclyn Christensen, Treasurer (Port Heiden)
Harvey Anelon (Iliamna)
Helen Gregorio (Togiak)
Charlie Johnson (Portage Creek)
Victor Seybert (Pilot Point)

BBNA staff:

Ralph Andersen, President & CEO
Dee Dee Bennis, Chief Administrative Officer
Bruce Baltar, General Counsel
Julianne Baltar, Director of Transportation & Infrastructure Development

Quyana, thank you, please contact me at any time for further information or questions, ~Amy

Subject: BBNA Meeting Request - EPA

Ms. McCarthy,

We wish to respectfully request an appointment for a delegation from the Bristol Bay Native Association (BBNA) of Alaska to meet with you at any available time on March 4-6, 2014. The subject of the meeting would be EPA authority over the proposed Pebble Mine in the Bristol Bay region of Southwest Alaska.

Just for background information, BBNA is a non-profit tribal consortium organized to provide a variety of educational, social, economic and related services to the Native people and communities of Alaska's Bristol Bay region. Made up of 31 recognized tribes, BBNA's mission is to maintain and promote a strong regional organization that serves as a unified voice for the region's indigenous population.

Please let me know if you have any questions or need further information, I can be reached at (202) 544-6355. Thank you very much for your consideration of this request.

Tom Elkins
